

STOP Mr Abbott Cutting GP Super Clinics

Tony Abbott plans to cut GP Super Clinics – putting our healthcare at risk.

As Health Minister, Tony Abbott cut funding to our public hospitals by \$1 billion.

Now he plans to cut GP Super Clinics, which will put more pressure on our hospital emergency departments.

Hard working Australians just can't trust Tony Abbott with their healthcare.

We the undersigned citizens of Australia note Mr Abbott's plan, if elected Prime Minister, to cut GP Super Clinics. We call on Federal Opposition Leader, Mr Abbott, to reverse his cuts program and rule out cutting GP Super Clinics.
